Application Essays

Prompt 1: Most students choose their intended major or area of study based on a passion or inspiration that's developed over time – what passion or inspiration led you to choose this area of study? (300 words)

Prompt 2: Many students pursue college for a specific degree, career opportunity or personal goal. Whichever it may be, learning will be critical to achieve your ultimate goal. As you think ahead to the process of learning during your college years, how will you define a successful college experience? (300 words)

Prompt 3: Consider your application as a whole. What do you personally want to emphasize about your application for the admission committee's consideration? Highlight something that's important to you or something you haven't had a chance to share. Tell us, don't show us (no websites please). (300 words)
